HAPPY NEW YEAR FROM THE BISHOPS TRUST

2017 was an exceptional year for the Bishops Trust and with the 175 Campaign well underway, we are looking forward to what 2018 holds. To view the 2017 Annual Report, please see [here](#).

Congratulations to all the 2017 Matrics on their fantastic results; the boys have done us and themselves proud. It is to maintain these levels of excellence that we constantly strive to better the School and its facilities, and if we are to play an integral role in transforming our beloved country, opportunities for this level of education must be made available for deserving boys from underprivileged communities. Please contact the [Trust Office](#) for information on the Hamilton Mvelase Bursary Fund.

For those of you who are moments away from breaking New Year resolutions of being a healthier, fitter version of yourself, we have just the thing for you. Dr Michael Mol has offered his services at a breakfast presentation around healthy living. All proceeds from this event will be donated to the Hamilton Mvelase Bursary Fund. For more information, please follow [this](#) link.

We wish to thank Dr Philip Hazel (1961F), Alan Ramsay (1960F) and Lawson Howes (1954O) for their generous contributions to the 175 Campaign during the holidays.

On behalf of the Trustees of the Bishops Trust, we wish you and your families everything of the best for 2018.
