

Dear members of the Bishops community

The use of the MySchool Card has been very positive, and many members of the Bishops community have, either applied for a new card, or have started using their old ones again. Please remember that you may have more than one beneficiary listed on your card, and we hope that Bishops becomes one of them.

Our thanks to those who have taken up the challenge of 'Every Swipe Counts'!

The funds raised from this project will be used to upgrade various projects on campus, from Pre Prep to College.

Please feel free to visit the Molteno Library on the College Campus which was upgraded using funds from this initiative. This year we are concentrating on the Prep Library.

As this is a painless way to fundraise, we again appeal to you to please apply for your MySchool card and use it as much as possible at any of the following:
