

“I had also learnt that tertiary education is actually an exercise in self education.”

The OD Union will be hosting an evening of ‘strange kinetic sculptures’ presented by award winning artist Justin Fiske (1991K). In conjunction with Justin’s piece, he will be giving us an interesting insight into his career and how he got to where he is today.

The event is open to all and for everyone that would like to attend please RSVP [here](#).

More information to follow.
