

Merry Christmas

HAMPER COLLECTION

Meet the team.

MS MARILYN MAY

Marilyn has been at Bishops for 7 years. She is responsible for keeping the hall area, kitchen and some of the classrooms clean. Marilyn can often be spotted outside at break time playing cricket and soccer with the boys. She contributed to the VUSA cyclathon where she was part of the team that rode for 24 hours to raise funds for the VUSA rugby and learning academy. Marilyn also sets out the hall for any occasions and makes sure that the bathrooms up at the hall are spic and span. We are immensely grateful for her contribution to Bishops.

MRS SHARON ALBERTS

Sharon has been at Bishops for close to 30 years and lives in the Prep boarding house. Her home is in Pearston, Eastern Cape. Sharon has two grown up sons and a daughter. She is a proud Grandma to a beautiful little girl, Jayliah. Sharon is responsible for the admin area, some classrooms and the bathrooms and is hugely appreciated for all she does at Bishops. She is a friend to all and a proud woman of God.

MRS SINOVUYO TUKWAYO

Vuyo joined us in March after our precious Aunty Doris retired. She is a Bidvest employee Vuyo suffered an immense trauma earlier this year when her husband was involved in a very serious car accident and needed a lot of time to recover but thankfully he is now back at work. She has 2 children and lives in Phillipi. What a wonderful, humble and kind lady who gives tirelessly in all she does.
